

# NOISE SOUL CINEMA

## **Photography Rates**

*( 10 photo edits are included in the hourly rate for each hour of shooting. Additional photo edits are available upon request. See below).*

Trained camera person with a combination of staging and/or natural light, creative backgrounds, camera flash and enthusiasm to achieve the high art/commercial quality.

\$130 for 1 hour  
\$225 for 2 hours  
\$350 for 3 hours  
\$600 for 5 hours  
\$1000 for 8 hours

## **Photo Touch-Up**

*\$30/hr, or based on client requests*

Professional editor to sift through every photo or choose based on your requests, taking time to bring out each photos natural glow:

Boosting brightness, sharpness and contrast, softening smiles, and balancing colors, removing distracting background stuff and more. Both print and/or web ready photos compressions available.

For product photography, objects in the photo can be made into .png file types for placing on any color background.
